

Head of School: Kenneth Davis
MS/HS Assistant Principal: Gloria Palacios
Elementary Assistant Principal: Cristiana Banegas

DISCOVERY SCHOOL

Early Childhood Assistant Principal: Nora Sierra
Guidance Counselor: Marilis Zambrana

School Profile 2018-2019

“To prepare our students for the challenges of life”

MISSION

Our mission is to prepare students for the challenges of life and future academic work by instilling in them:

- Self-esteem
- Academic Excellence
- Critical Thinking
- Celebration of Cultural Diversity
- Social and Environmental Responsibility

This is accomplished through an internationally enriched U.S.-style curriculum with high academic standards, an internationally diverse student body, and an inquiry-based approach to learning.

ABOUT DISCOVERY

The Discovery School is a private, international non-profit school with a unique learning environment. Founded in 1993, it is located in a purpose-built facility on the outskirts of Tegucigalpa, Honduras, in Central America. With students from over 22 different countries, our diversity is one of our greatest strengths. Approximately 61% of our students are from Honduras, 39% from the United States and other countries around the world. We foster an appreciation and respect for diversity.

Facilities: We are proud of all that has been accomplished since the first year we opened. After renting a facility in the middle of the city for several years, in 2006 the school moved to its new campus. The current facilities consist of five sections: Secondary, Elementary, Early Childhood, Special Classes, and Administration. There are special classrooms for Early Childhood and Elementary French, Art and Music, as well as a Computer Lab, Science Lab, and Elementary and Secondary Libraries. Wireless Internet access is available on campus. In addition, there is a cafeteria, a soccer field, an open-air gym, a basketball court, two play areas for the younger students, and a green common area. The new school site allows room for expansion as the school continues to grow. Our school was founded on the belief that small classroom sizes and hands-on learning experiences are pivotal for meaningful teaching and learning, and this is an enduring principle that continues to guide us today.

ACADEMICS AND ACCREDITATION

Our faculty is comprised of 38 full-time teachers, and over 65% of them hold a postgraduate degree. Our school covers 36 weeks over two semesters, August-December and January-May with 180 days of instruction, both on and off the campus. Students attend 50 minute class periods per subject. The average class size ranges from 12 to 19 students with English as the main language of instruction.

Discovery School is accredited by AdvancEd (SACS-CASI). We offer an American curriculum based on US standards for Kindergarten through grade 12. Our High School program, which incorporates the Advanced Placement Program (AP), is university preparatory. The High School program is designated to provide a strong academic foundation since 100% of Discovery graduating class pursue higher education in Honduras or abroad.

GRADUATION REQUIREMENTS

High School Graduation Requirements		
Subject	Credit for US Program (9th-12th)	Credit for Honduran Program (7th-12th)
English	4.0 credits	6.0 credits
Math	3.0 credits	6.0 credits
Science	3.0 credits	6.0 credits
Social Studies	3.0 credits	9.0 credits
Foreign Language	2.0 credits	6.0 credits
PE/Health	1.5 credits	2.5 credits
Fine Arts	2.0 credits	4.0 credits
Electives	5.5 credits	3.0 credits

Discovery School grants a High School diploma to students who have successfully completed at least 24 credits (grades 9th -12th). It also offers the students the option of earning the national degree of Bachillerato Internacional en Ciencias y Humanidades granted by the Honduran Ministry of Education by completing additional credits. The Advanced Placement International Diploma (APID) is also available for those students who meet the requirements. One credit is earned for each full year course. One-half credit is earned for a semester course.

GRADING SYSTEM, GPA, AND RANKING

Discovery School uses a 100-point scale grading system for all academic subjects with a passing grade of 70 (effective August 2013) according to the Honduran Ministry of Education. Due to our small classes, we do not provide the specific rank of our students. 2018 graduating class was composed of 13 students.

US Grading System			
Grade	Percentage	Grade	Percentage
A	100-94	C	76-74
A-	93-90	C-	73-70
B+	89-87	D+	69-67
B	86-84	D	66-64
B-	83-80	D-	63-60
C+	79-77	F	59-0

The cumulative GPA of our students reflects courses taken at Discovery School only. Grades from previous schools are not included. Discovery School provides the GPA on a quarterly basis in report cards but is not published in the transcript. GPA is calculated on a 4.0 scale as follows:

A+=4.0	B+=3.33	C+=2.33	D+=1.33
A = 4.0	B = 3.0	C= 2.0	D=1.00
A-=3.67	B- =2.67	C-=1.67	D-=0.67
			F=0

SAT SUMMARY FOR THE CLASS OF 2018

Section	Mean
Evidence-Based Reading and Writing	592
Math	563
Total	1143

AP EXAM RESULTS 2018

In May 2018, a total of 18 candidates took a total of 33 AP exams in 8 different subject areas. Passing scores of 3 and higher were achieved by 85% of the students.

Subject Area	5	4	3	2	1
English Lit.&Composition	2		4		
Studio Art: Drawing Portfolio	1	1	1		
Environmental Science			1	2	1
U.S. Government &Politics	1	1			
U.S. History	2	1	1		
Spanish Lang & Culture	1	1			
Spanish Lit. & Culture	2	3			
Computer Science Principles	1	1	3	2	

MAP TESTING

Research and data driven decisions have become an important part of our academic program. The Measures of Academic Progress (MAP) is administered twice a year to our students in Kindergarten through Grade 10. This supports, guides, and validates our core curriculum. Since each test is tailored to the student's ability and level, teachers and administrators collaborate to reach individual students with comprehensive and carefully planned instruction activities, and assessments. Students use their own scores to develop personal goals and work towards achieving them.

CO-CURRICULAR ACTIVITIES

Our students are given opportunities to experience the culture and countryside of their host country, with academic field trips and community service opportunities within Honduras. Our co-curricular activities include the following: Math Olympics, Model United Nations, Concert Choir, Speech, Homework Club, CAPE Cares Medical Brigades, Swimming, "Nuestros Pequeños Hermanos", Recycling, Track & Field, Basketball, Soccer, French, Art Club, Kempo Karate, Jazz Band, Violin Band, and Bricks4Kidz.
